Ford Propane and above Customer hereby enter into this Pre-Buy Agreement ("Agreement") and agrees as follows:

1. Customer hereby purchases propane from Ford Propane for deliveries starting on October 1, 2020 as follows:

GALLONS	PRICE PER GALLON	SUBTOTALS	4% SALES TAX	TOTAL
_____	\$1.589	_____	_____	_____

CHECK # _____ CHECK AMOUNT \$ _____

2. Customer agrees that their account will be placed on automatic delivery from October 1, 2020 through March 31, 2021. Ford Propane will automatically deliver propane gas to Customers during this period at Company's sole discretion, even if Customer has exhausted all of their pre-buy gallons. Upon exhaustion of Customer's pre-buy gallons, all additional deliveries must be paid according to the terms of your delivery agreement with Ford Propane and the terms printed on your delivery ticket. Customer will be charged the price for that day's delivery.

3. Customer must purchase a minimum of 500 gallons of propane. Minimum delivery requirements apply.

4. Customer agrees and acknowledges that an **additional charge of 3%** will be assessed on all pre-buy credit card payments.

5. The pre-buy price quoted to you is only good while supplies last or until September 30, 2020. All pre-buy payments must be received with signed agreement in order to be processed.

6. On April 1, 2021 the dollar amount of undelivered gallons will remain as a credited on your account to be applied to future purchase at the current market value.

7. If Customer leases their equipment from Ford Propane all other terms of the Equipment Lease Agreement remain in full force and effect. In the event of any conflict between this Agreement and the Equipment Lease Agreement, this Agreement shall control.
